

Leap Without Limits

MaryAnn D'Ambrosio MBA, PhD

You could say MaryAnn D'Ambrosio, MBA, PhD, is energetically charged. She swapped a lifelong corporate career in the power industry for one where she sparks entrepreneurs, business leaders and service professionals to leap without limits and land in a place where they will grow and prosper.

How does she do it? As a naturally gifted and professionally trained energy healer, speaker, author, and coach, MaryAnn understands the fields of energy that connect us all, and she takes audiences through a process that instantly unites their personal strengths with their passion for success. An inspirational, engaging speaker, MaryAnn's seminars are at once thoughtful and thought provoking. The audience naturally awakens to a deeper understanding and a new way of approaching business and life that brings about elegant breakthroughs. Transmuting AHA moments into awareness is profound and under MaryAnn's guidance the nudges are soft; the results powerful and transformative!

In this incredible resource, MaryAnn captivates readers as she shares 21 ways to massive success.

"I appreciate the level of professionalism that MaryAnn brought to the event along with her expertise on the topic of leadership. She received excellent reviews from our attendees and added significant value to the event. I would recommend hiring her as a presenter for your next event."

— Kisha Zullo, Founder, Women in Business Summit
